- A**BBE, ROBERT, Fixation of the round ligaments in Alexander's operation, 699.<sup>1</sup>
- Abbott on the Principles of Bacteriology, Review of, 399.
- Abdomen, Pathology and treatment of gunshot wounds of, 662.
- Abdominal tumor, retroperitoneal, Spontaneous disappearance of, after abdominal section, 757.
- Actinomycosis, Cases of, 371.
- Alexander's operation, Fixation of the round ligaments in, 699.
- Allis on Reduction of Dislocations of the Hip, Review of, 770.
- Ambulatory treatment of fractures of the lower extremity, 69; in children, 481.
- Anatomy, Gray's Text-Book, Review of, 776; Haynes's Manual of, 777.
- Angioma of chest-wall; Novel method of excision of, 377.
- Ankle, Result after Pirogoff amputation of, 749.
- Anus, Anatomy of the, 1.
- Appendicitis, Chronic, complicated by acute colitis, 61; Review of Deaver; Treatise on, 249; followed by ileus, 376; obliterans, 380; followed by intestinal fistula, 488, 502; A cause for pain in certain cases of chronic, 713; Operation for relief, followed by fecal fistula of small intestine, 726; Review of Fowler on, 779.
- Appendix, Gangrenous, with large fecal concretion, 490.
- B**ACTERIA, Pathogenic; Review of McFarland's Text-Book on, 667.
- Bacteriology, The Principles of, Review of Abbott on, 399.
- B**ARTON, JAMES M., Treatment of osteomyelitis, 237; Spontaneous disappearance of a large retroperitoneal tumor after abdominal section, 757.
- Basedow's disease, Surgical treatment of, 81.
- BEACH, H. H. A., Case of pelvic tumor formed by a calcified Meckel's diverticulum uniting the ileum and bladder, 484.
- Bed for surgical patients, 628.
- BINNIE, J. F., Cases of deformity of the external ear, 206; Cholecystotomy and cholecystenterostomy in a patient eighty years of age, 638.
- Bladder united to ileum by an adherent, calcified Meckel's diverticulum, 484; Extraperitoneal rupture of, 751; Hernia of, complicating inguinal hernia, 753.
- BRADFORD, E. H., Ambulatory treatment of fractures in children, 481.
- Brain, Successful extirpation of tuberculoma of, 652.
- Breast, Enormous carcinoma of, excision, 382.
- BYFORD, HENRY T., Extirpation of the rectum per vaginam, 631.
- C**ABOT, A. T., Question of castration for enlarged prostate, 265.
- Cæcum, Case of sarcoma of the, 42.
- Calcaneum, Fracture of, 39.
- Carotids, External, excised in treatment of sarcoma of upper jaw, 494.
- Castration for hypertrophy of prostate, 223, 265, 388.
- CHAVASSE, THOMAS F., Case of inter-scapulo-thoracic amputation for injury, 182.

- Cholecystenterostomy in an aged patient, 638.
- Cholecysto-cystico-choledochotomy, 373.
- Cholecystotomy, Cases of, 61.
- Choledocholithotomy, Cases of, 58, 59; Technique of, 761.
- Clavicle, Regeneration of, after removal, 49.
- COLEY, W. B., Disadvantages of buried non-absorbable sutures, 48; Surgical treatment of gastric ulcer, 50; Osteochondroma of ribs, 52; Excision of second branch of trifacial nerve for neuralgia, 501; Injection of erysipelas toxins for sarcoma, successful case, 501.
- CUMSTON, CHARLES G., Amputation of the foot with a dorsal flap, 706.
- CURTIS, B. FARQUHAR, Evidement of prostate and seminal vesicles for tuberculosis, 219; Operative treatment of ulcer of stomach, 220.
- DAVIS, GWILYM G., Massage and movements in the treatment of fractures, 691; Treatment of intracapsular fracture of the femur, 66; Results after Pirogoff Amputation, 750; Treatment of fractures by massage, 752.
- DAWBARN, R. H. M., Treatment of a case of naso-pharyngeal sarcoma, 44; Excision of external carotids in treatment of sarcoma of upper jaw, 494; Abnormal kidney, 498.
- DEAVER, JOHN B., Case of choledochotomy, 58; of combined cholecystotomy and choledochotomy, 59; of cholecystotomy, 61; of chronic appendicitis complicated by acute colitis, 61; Case of bilateral operations for strangulated hernia, 63; The ligature in oöphorectomy, 63; Treatment of intracapsular fracture of the femur, 64; Extraperitoneal rupture of the bladder, 751.
- Deaver's Treatise on Appendicitis, Review of, 249.
- Deformity, Theory of the ultimate etiology of, 131.
- Dennis's System of Surgery, Volume IV, Review of, 535.
- DOWD, CHARLES N., Case of cleft hand, 211.
- EAR, Deformities of the external, 206; Elbow, Fracture at, with rupture of biceps muscle, 57.
- ELIOT, JR., ELLSWORTH, Remarks upon carcinoma of the tongue, 682.
- Enterocoele, partial, strangulated, Treatment of, 663.
- Epilepsy, Operative treatment of Jacksonian and focal, 122.
- Erysipelas toxins in the treatment of malignant growths, 44, 53, 501.
- FÆCAL fistula of small intestine following operation for appendicitis, 726.
- Femur, The treatment of intracapsular fracture of, 27, 64.
- Fibula, Excision of, in a subject of interstitial nephritis, 379; Remote effects of excision of, 634.
- Foot, Amputation of, with a dorsal flap, 706.
- Forearm, Treatment of wounds of muscles of, 55.
- Formaline, Antiseptic uses of, 229.
- FOWLER, GEORGE R., The surgery of intrathoracic tuberculosis, 541; Ueber Appendicitis, Review of, 779.
- Fractures in Children, Ambulatory treatment of, 481; Massage in the treatment of, 691.
- Franco, Pierre, Biographical sketch of, 523.
- Frontal sinuses, Osteoplastic opening of, 96.
- GALL-PASSAGES, Removal of calculi from, 761.
- Gant on Diseases of the Rectum, Anus, and Contiguous Structures, Review of, 539.
- Gasserian ganglion, Extirpation of, for trigeminal neuralgia, 92, 575, 736.

- Gastric ulcer, Surgery of perforating, 50, 640.
- Gastrostomy for relief of obstruction of œsophagus, 654, 655, 656.
- Gastrotomy for pedunculated carcinoma of stomach, 310.
- GIBNEY, VIRGIL P., Tibio-fibular osteoplasty, 49.
- Goitre excisions, Report of 1000 cases, 99.
- Gray's Text-Book of Anatomy, thirteenth edition, Review of, 776.
- H**AND, cleft, Case of, 211.
